Dear Parents,

We want to thank each and every one of you for trusting us with your child. We know that when choosing childcare there are many options for families and you have chosen us. In order to move forward in this beautiful building and to continue to provide child care and preschool, we must raise our prices effective June 1, 2016 by 6% and by 4% in January. We understand that raising the price 10% for our care is not ideal for families. Please be assured that when raising the prices of childcare and preschool, we have done our research and have completed a variety of income and expense worksheets and we have and will continue to cut where we can.

As you may already know as of July 1 and January 1 the minimum wage will increase, we believe all staff deserve the same increase in salary to be equitable to our wonderful staff.
